Newsletter from Restoration School of Ministries

Greetings from Egon Davidsen

EGON & MARYANN

FOUNDER - RESTORATION

In India: It is with great joy we greet you this autumn with the exhilarating news that the Restoration School of Ministry in Asia is going on in full speed. We have 18 Bible Schools in India in 4 different states right now, and we can present pictures from almost all of them. All the students are getting syllabuses in 10 subjects with many pictures and illustrations to enjoy. We have found a cost effective way to print them so that

all can take part of these helpful tools to get hold of the messages that are taught. Teachers are trained through the books from ps. Maryann and me and also through other authors.

In Bangladesh: We still have RSOM schools running through the BBCS Baptists who I visited and attended their 225 years Anniversary last year, and we are very happy to have at least two schools with them with our curriculum.

We also now have with a joint effort started new RSOM schools in Khulna division through our dear friend of the ministry whom I met in Dhaka last year. It is called Bangladesh Presbyterian Church Fellowship and are run by Phillip Sarkar (Chairman of BPCF). They have 5 RSOM schools right now with 146 students altogether, mostly young people from 15 years and upwards. This is a great joy and we are very proud of these schools and students.

In Pakistan: We just finished two RSOM schools and have started

4 brand new schools in big and important cities. Pakistan is mainly a muslim state so it is with admiration for our partners in Pakistan and our great God that we can have these schools. We believe that through such schools and teaching to the Pakistani people we can and will see a great change in the future of this great nation.

It is only through our board in India and our very efficient coordinator in Asia, brother Arul, we can do this great work and make these important teachings available to both pastors and young students in these three countries. Please pray for them and lift them up in prayer and support in these times.

We are looking forward to our annual trip to India and Asia in February next year, where we also are going to open up for a small missions team from Norway and Denmark to be trained in missions in Asia.

We will be visiting the Bible Schools and the churches that are running with the vision, so that the untold can be saved and the Christians can be discipled. Please pray for this great work and for this journey to be successful!

RESTORATION BIBLE SCHOOLS IN INDIA WITH GREAT ENDEAVOR TO TRANSFORM PEOPLE

Restoration School of Ministry (RSOM) in India is rapidly extending its presence with more number of Bible schools around the country year after year.

RSOM effectively trains the young and adult believers with its unique course materials which is rooted in the Word of God for ministering in the supernatural power of the Holy spirit. Students are being transformed, rededicated their life to our Lord Jesus Christ, and called to be Gospel proclaimers as a result of RSOM's unwavering efforts

Last year, RSOM taught over 1000 students in the Word of God for gospel work in India, in addition to its schools in Pakistan and Bangladesh.

India, the most populated country in the world with 1.4+ billion people and those are mostly Hindus speaking more than 19,500 different languages.

It is quite difficult to reach every individual with a gospel message unless we translate the course materials into their local language. RSOM spends more money on course materials translation. RSOM has accomplished translating six main Indian languages so far.

Mrs. SUMI KORMOKER

Bangladesh RSOM Student
Tilok, Rupsha

I am Piash Roy a college students beside my secular study I am helping my family financially with my private Tuition fee but when I came to know about the course of RSOM from Teacher Rev. Joy Noton Baroi who is our pastor and helping us to know more about God and his son Jesus Christ who save us and given salvation. Despite my hectic schedule, I decided to study theology at RSOM Bible School.

In our group we have already finished five subjects. From these subjects, I came to learn how and where the books as Bible was written and its contents. How we are being saved by the blood of Jesus Christ through his atoning sacrifice. How we can pray as Jesus taught his disciples to pray. How can I depend on God, about my faith.

I am very much thankful the writer Rev. Egon Davidsen. It is such a nice short course to know more about God and His work in the world.

I am Sumi Kormoker, a housewife. Mainly I am always busy with my family work, like, cooking; take care of my father-in-law, children, cattle, and others. Really it is very hard to get time for study Bible. I always tried to attend Church but there are very few opportunities to learn deeply.

When I heard about this course, my heart was filled with joy. I kept thanking God. Already I have finished four subjects.

This course strengthened my faith even more. I also learned about the books of the New Testament, The power of God. The greatness of the gospel. I have experienced about my faith and Holy Spirit.

All these teachings started to renew my life. Hope, when I complete the full course, I will be a new woman of my Lord Jesus Christ.

Thank you Restoration School of Ministry!

Restoration Bible Schools in **PAKISTAN**

Pakistan is an Islamic Republic country in South Asia. It is the world's fifth-most populous country, with 241.5 million people, and has the world's largest Muslim population as of 2023.

Restoration School of Ministry (RSOM) has a preference for its Bible schools in this nation. In Pakistan, RSOM Bible Schools are located in Lahore, Riwind, Islamabad, and Muredky cities and teach hundreds of people in the Word of God.

RSOM Schools in Lahore have two centres: King's House and Nella Village. Bishop Afzal Masih and Pastor Nadeem Pervaiz taught the students and conducted exams.

RSOM just started a Bible School in Raiwind city with 32 students recently and is about to start more Bible schools in Lahore, Riwind city, Islamabad, and Muredky city.

I'm so thankful to Restoration Bible School for making us so capable of knowing God and true meaning of salvation. When I join this Bible School the community near me keep questioning why am I joining and what I will receive here.

As a girl I faced many challenges. But when I came here I understand the reason of my life and the salvation I get in the Lord Jesus what we read in New Testament.

Now I boldly answer them and share the Word of God with them. This Bible course gives me courage to tell them the truth of the Bible.

RSOM Student - Pakistan

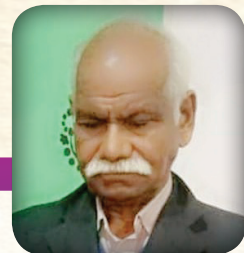

I Praise the Lord for RSOM, a gift for our community and specially for the younger generation that make it possible for us to know the Holy Bible more deeply.

This school helps me to know the basics of Bible and the importance in our life and more importantly help to grow more in faith.

And now I know that my strong and firm foundation is in the Lord. And this make my relationship with christ more strong.

ALIFAZ MASIH

RSOM Student-Pakistan

The whole life I spend was in wrong doings thinking that what I did was all good. But the time came when I questioned who am I ? And where I belong ?

After accepting Christ my journey started with RSOM of knowing God and what the Bible is.

Day by day when I get to know the Old Testament, Faith and Righteous of God. And move to the New Testament and know the importance of the gospel of Jesus.

I'm so thankful to Restoration Bible School for making it possible to know and receive the love of the Lord.
